

We Sourcing  
Your Competitiveness

**WHERE IT ALL  
BEGINS...**

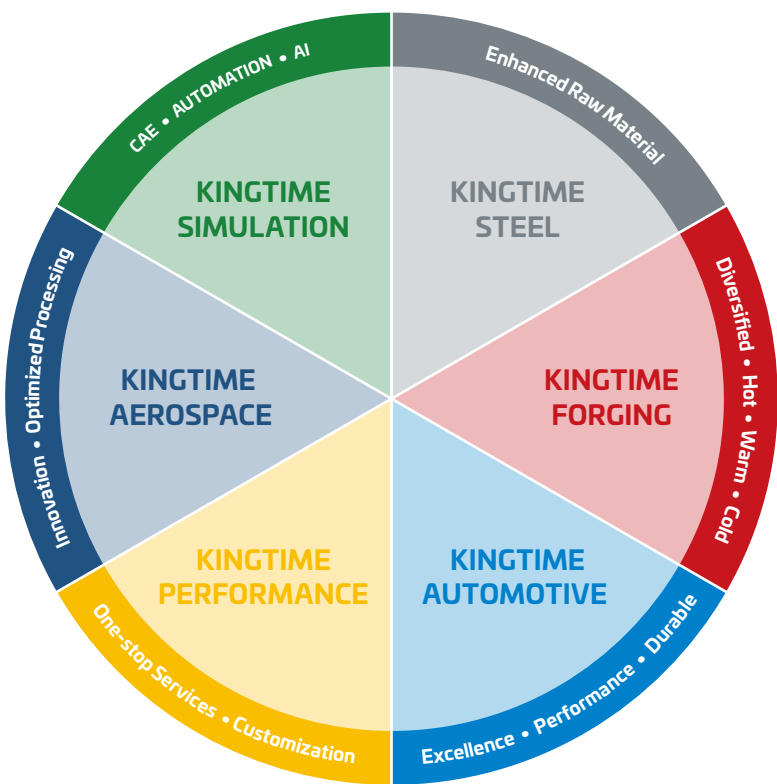

# ENGINEERING THE FUTURE

## Reinforced Foundation → Exceptional Engineering

KINGTIME GROUP current owns six divisions, including KINGTIME TECH SOLUTIONS, KINGTIME FORGING, KINGTIME AUTOMOTIVE, KINGTIME PERFORMANCE-X, KINGTIME AEROSPACE and KINGTIME STEEL, with 50 production lines.

We have helped numerous manufacturers design and develop auto-parts for the past 30 years. We have been providing one-stop services of simultaneously engineering, steel sourcing, precision forging, further processing & machining for global and local A-list companies, gained substantial industrial experience in raw material sourcing, auto-parts forging, advanced machining and complex assembly, with exceptional engineering and higher standard performance.

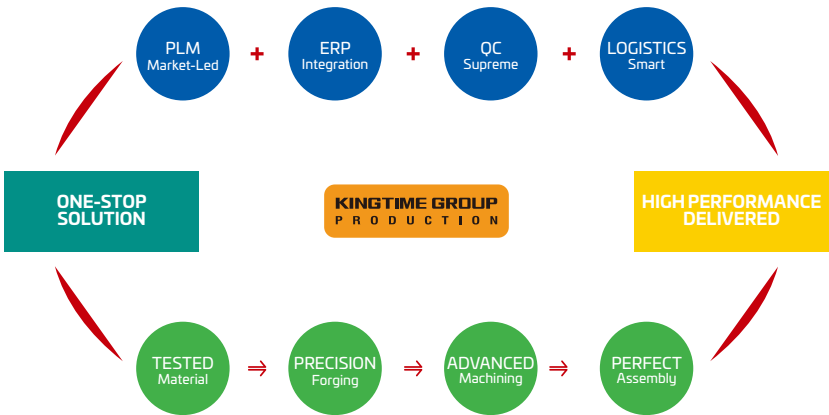

## We Sourcing Your Competitiveness

 Strong R&D	 Supreme Quality Offering	 Bigger Batch Production	 Professional Team Long-term Experience
 Professional Manufacturer	 Great Reputation	 Social Responsibility	

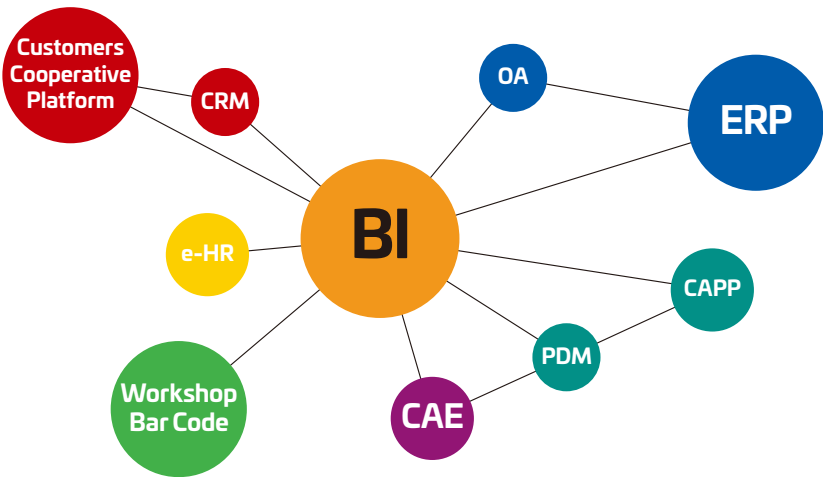

# OPERATIONAL EXCELLENCE

KINGTIME - High Performance Delivered.

KINGTIME Group has the knowledge, experience, and credentials — qualities that have made us successful in the marketplace — to be there for you. Our global experience and innovative thinking gives us a major advantage when it comes to providing the ultimate driveline system or solution. At the heart of KINGTIME is a strong culture of operational excellence.

## Information System Excellence

Big Player

Cost Effectiveness

KINGTIME GROUP PRODUCTION

# KINGTIME TECH SOLUTIONS

Simultaneous Engineering

金泰技术方案  
同步研发，精工制造

## ONE-STOP INDUSTRIAL TECH SOLUTIONS

Precision Forming . Technological Breakthrough. Numerical Manufacture

## YOUR PARTNER FOR INNOVATIVE PRECISION FORMING SOLUTIONS

- Our Expertise for your Success
- Unique Solution Provider for High-Performance Components
  - Lighter Stronger and Higher Performance Components

...

# KINGTIME STEEL ENHANCED

Focus on Elements  
& Charisma of Metal

钢厂直供、钢材定制  
特种钢、模具钢解决方案

## REINFORCE THE CORE

Continuously Improvement and Optimization  
of Chemical Composition Through Industrial Research

## WIDER COVERAGE & SPECIAL STEEL SOLUTION PROVIDER

- Enhanced Raw Material, Improved Performance
- Reaching European Standard Through Innovation and Sourcing Partner in China
  - Special Steel Replacement and Sourcing Solution
  - Wider Coverage of Application in Automotive, Industry, Mining Machinery, Construction Machinery, Rail, Construction Machinery, Agriculture Machinery, Military, Gears, General Industrial...

# PRECISION FORMING

The Art of Forging

精密成形专家  
锻造的艺术，轻量化！

## FORMING THE FUTURE

- Enhanced Raw Material Tested • Forging Simulation & Verification
- Perfect Inner Metal Flow Line • Stabilized Inner Metal Structure
  - In-depth Know-how from 30 Years Forging Practice
  - Passion About Precision & Innovation
- 50 Production Lines • 120,000,000 Units Per Year

## KINGTIME PRECISION FORGING

Diversified • Hot • Warm • Cold

Automotive • Aerospace • Agricultural Engineering  
Industry • Military • Tooling & MORE...

# CV JOINT & AXLE SPECIALIST

Moving the World

球笼传动轴专业制造商  
传动世界, 高效可靠

**THE ORIGIN AND SOURCING PARTNER  
OF THE BEST DRIVELINE SOLUTIONS  
SOURCING FOR OVER 60 CAR-MARKER**

Passenger Cars • Commercial Vehicles • ATV  
Agricultural Engineering • Industry  
Motor Sport • Marine • Remanufacturing • Special Vehicles

# PERFORMANCE X

High Performance. Delivered

高性能X定制  
系统化智造，提升竞争力

**POWER & PERFORMANCE**  
**One-stop Services • Customization**

**PERFORMING YOUR WAY**

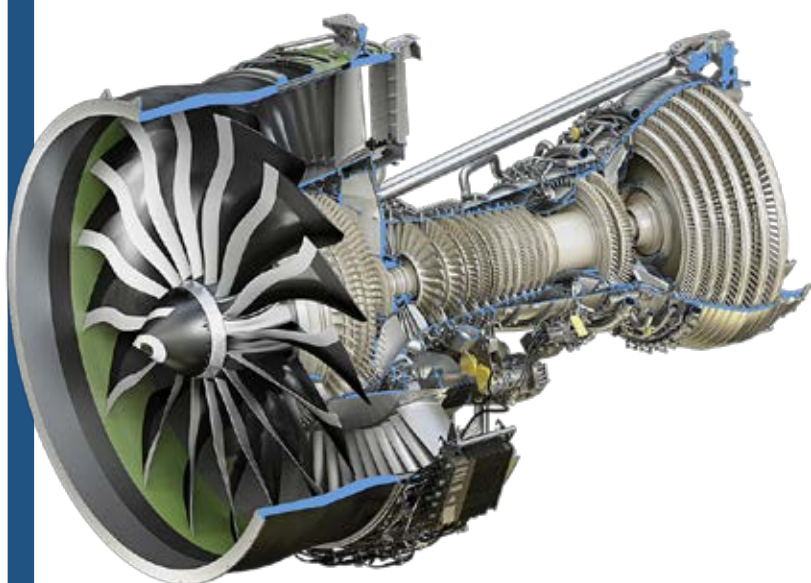

Reinforced Foundation → Customized Request → 30 Years Industrial Know-how  
→ Exceptional Engineering → Ultimate Performance

**SYSTEMATIC MANUFACTURING**

# A TOUCH OF AEROSPACE

1773 Mpa 20°C  
1290 Mpa 650°C

航空发动机高温高强高寿紧固件  
对标德日, 替代进口

## A GLOBAL FOOTPRINT TO SUPPORT AEROSPACE INNOVATION

Full support for the world's leading aerospace companies

### KINGTIME AEROSPACE

- Our Expertise for your Success
- Unique Solution Provider for High-Performance Components
- Lighter Stronger and Higher Performance Components for Aircraft Engine

...

# 30 YEARS MANUFACTURING EXPERIENCE

2,160,000,000  
Parts Delivered

30年制造经验  
26亿1600万件发货量
